The Centrium

The Centrium is unlike any Dubai residential property, and is in the heart of IMPZ – the majestic master community. The Centrium boasts four beautiful cosmopolitan towers surrounded by luscious Dubai greens. Residents enjoy an exciting cosmopolitan atmosphere, with a rich view of the city and nearby parks from bridges connecting the towers. The Centrium has a modern urban design with highly finished interiors as well as many amenities. Stay physically fit with adults' and children's swimming pools, gymnasiums, and jogging tracks. Also enjoy other facilities such as jacuzzis, a game room, billiard room, children's play area, library, reading room, day care center, and prayer room. The Centrium is both a comfortable and beautiful residential property in Dubai.

2) Liberty House

This Forty-two storey structure in Dubai International financial Centre consists of eight floors of spacious open plan offices, above which are twenty nine floors of luxurious apartments. The unique contemporary form and sophisticated styling of the facade will set a new benchmark for the design of buildings in the Middle East. A Modern, elegant exterior and an interior with cutting edge styling, that use a mixture of glass and both natural and artificial finishes set the tone.

Liberty House

The Liberty House serves as a distinct landmark in the Financial District, marked by a modern, artistic exterior and interior. The soaring forty-two storey structure is one of the primary commercial properties in Dubai, accommodating eight floors of offices and twenty-nine floors of luxurious apartments above. The sophisticated and contemporary design of the Liberty House is a benchmark not only for commercial real estate in Dubai, but for the design of buildings in the Middle East. Glass fixtures accentuate the refreshing spaciousness and natural light, which add to the beauty of this grand establishment. The offices are situated around a central atrium and are marked by an energetic flow of activity. The bright, open-plan spaces are also characteristic of the eight studio apartments, 129 one-bedroom apartments, and 44 two bedroom apartments. The apartments are complemented with recreational areas for sporting and leisure, and include adults' and children's pools, play areas, and an activity deck. Whether you are looking for residential or commercial property in Dubai, The Liberty House is the prime choice.

3) Goldcrest Executive Tower

Located in such a prime location, GoldCrest Executive has been pitched as the hottest new investment opportunity with both offices as well as furnished apartments. Spread over half a million square feet of built-up area GoldCrest Executive is truly a 39 storey wonder. Complete with a sprawling food court. World-class facilities. Free parking. And a shopping arena of its own. It is a breath-taking landmark surrounded by crystal clear lakes, verdant greens and lush landscaping.
